

TERENCE WHEELOCK

Vigil at Store Street Garda Station Meet at Lourdes Church, Sean McDermot St Sat 9th June 1pm Sharp

Due to the heartwarming support from the community and supporters of the campaign for justice into the death of Terence Wheelock. The family have consistently called for a full independent public inquiry into the *suspicious and disturbing* aspects of Terence's arrest, detention and subsequent death.

Due to the family's quest for the truth, their endeavour has seen experts from Britain shed new light on the events leading up to Terence's death. The support for an inquiry has gained new ground with recommendations from Amnesty International, Dublin City Council, ICCL, Local TD's, letters of support and the European Convention on the Prevention of Torture. Without your support this case would not have come to light. We thank you the community and supporters.
